

BARRY O'FARRELL MP
NEW SOUTH WALES LIBERAL LEADER

30 September 2009

Mr. John Bignucolo
Secretary
EcoTransit Sydney Inc.
PO Box 630
MILSONS POINT NSW 1565

Dear Mr. Bignucolo

Thank you for your letter of 21 September 2009 on behalf of EcoTransit Sydney Inc.

I have read your letter with interest and share your concerns in relation to building and planning of the Rozelle Metro.

As I stated when I wrote to you in May 2009, the NSW Liberal/Nationals have committed to not to proceed with the Rozelle Metro, and a commitment to build the South West and North West rail links.

A NSW Liberal/Nationals Government will seek to transfer through negotiation and agreement the contractual obligation from the Metro project to the proposed rail links we will complete to Sydney's South West and North West. Failing that we would seek to terminate the Metro contract.

Please continue to keep me informed and updated on this important matter. In the meantime, visit my website at www.barryofarrell.com.au for policy information and updates.

Thank you again taking the time to write to me.

Yours sincerely
